CARBON >>

> Carbon Wing Spoiler

With this top-of-the-line wing spoiler you can really maximise the extreme look of your car, and personalise it even more. The spoiler is made from real carbon fibre, and features a red accent. It is a must-have feature on every Type R...

> Carbon Centre Console Panel

Bring style and extreme sports together in the cockpit of your car by installing the carbon centre console panel. This handmade carbon accent gives your car just that bit of extra dash.

> Carbon Door Sill Trims

Manufactured out of real handmade carbon fibre and featuring the Type-R logo, these door sills are bound to make a lasting impression every time you open the door of your Type R.

> Carbon Gear Knob - (Red & Black)

Put the custom look of the interior of your Type-R into high gear with this distinctive centerpiece. Manufactured out of carbon fibre to complete your Type-R's sporty look.

LEATHER >>

> Leather Gear Knob - (Red & Black)

Take your Type-R's interior up a gear with this handsome combination of red and black anodized metal, wrapped in rich red and black leather material.

ILLUMINATION ▶▶

▶ Illuminated Door Sill Trims (Red)

The illuminated door sill trims are crafted in black brushed stainless steel and have a red illuminated Type R logo. They protect the door sills from marks and scratches, and the kit includes illuminated front and non-illuminated rear trims.

▶ Cup Holder and Console Illumination (Red)

By turning on the ignition and headlights, the bottom of the cup holders and the storage box in the center console illuminate, bringing a sporty red ambient atmosphere to the interior of your car.

▶ Illuminated Type-R Pattern Projector (Red & White)

The Type-R pattern is projected on the ground with a bright white and red glow when opening the front doors, creating more visibility in the dark when getting in and out of your car.

▶ Front Foot and Under Seat Lights (Red)

By unlocking the doors, the area under the seat and the entire front footwell illuminate with a sporty red light. While driving with the headlights on, the light output is dimmed by 50% to avoid distraction. When the headlights are off, these lights are also switched off.

▶ Door Lining illumination (Red)

By turning on the ignition the door lining illuminates, with red lights fitted to the door handles and door pockets.

▶ Body Cover

Keep your vehicle looking immaculate with this full body cover made from 3-layered, water-resistant and breathable materials – offering maximum protection from the elements and damaging UV rays. It includes a soft inner fleece lining to protect the finish of your car. Suitable for indoor and outdoor use. The body cover features the Type-R logo, and fits on both the standard vehicle and those with the accessory wing spoiler.

▶ Black Wheel Lock Nuts

These black cap-type locking wheel nuts keep your alloy wheels where they should be: on your car.

▶ Under Body Light

Underbody LED lighting is a modern and stylish application to your Type-R.

When you approach and unlock the car, the light surrounds you – making you stand out from the crowd.

▶ Body Decals

These vinyl die-cut decals are a great way to give your Type-R a personal touch, and a fresh new look and style.

► All Season Mats (Front and Rear)

These all-season mats with raised edges are made to protect the entire footwell and feature the Civic logo. They are tough yet easy to clean, and the kit includes two front and two rear mats.

► Elegance Floor Mats

These elegant and comfortable fitted tufted carpets, with a red nubuck binding, have a metal Type-R emblem for durability. One set includes front and rear mats.

► Safety Kit

Handle most emergencies on the road with our customised safety kit.

► Cargo Tray

This waterproof anti-slip boot tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the Type-R logo.

► Cargo Sill Decorations

The boot sill decorations are a practical and stylish accessory for the boot, protecting against scratches and bumps. With an attractive brushed stainless steel finish, it fits perfectly onto the boot's lining.

► Cargo Net

The hammock-style boot net keeps all your items in the boot upright and securely in place.

► Foldable Cargo Mat

This reversible, foldable boot mat offers protection to your boot and to the complete loading floor when the rear seats are folded down.

One side is made of tufted carpet and the other side has a water-repellent, anti-slip pattern. In addition, this mat comes with a flexible flap to prevent scratches on your bumper when loading or unloading your car.

▶ Sun Blinds

Stay cool and in the shade with these stylish sunshades. They provide sun protection for rear passengers and are easy to mount and remove. The kit includes two blinds and a complimentary carry bag.

▶ Drive Video Recorder

The drive recorder is a very popular accessory that video records each journey. In the unfortunate event of a collision, the video evidence is available if the other driver contests the liability.

▶ Mini Tire Inflator

This inflator can be utilised for roadside emergencies in the event of tire punctures.

▶ Emergency Roadside Kit

The best roadside emergency kit to keep you going. The kit includes a jump starter, safety gloves, reflector and a bag.
