SEIZE EVERY ADVENTURE

The new Pilot has arrived, bringing together uncompromising design and convenient new features. With its advanced technology and All-Wheel Drive system, the modern family SUV is reaching new heights. The more aggressively styled exterior is designed to turn heads, matched by an interior that's totally at home in the digital age. No wonder it's creating such a stir.

ENHANCED EXTERIOR STYLING

The updated exterior styling is both rugged and refined and shows the redesigned modern family SUV. The front is designed with a bold front grille, with aggressive chrome accents that feature LED Daytime Running Lights (DRL) standard in all grades.

DRL

LED DAYTIME
RUNNING LIGHTS

The redesigned grille features a bold interpretation of the Honda "flying wing" grille design, with its chrome band extending above the headlights. The front bumper now incorporates larger fog light housings, fully integrated into the bumper, giving a more aggressive look.

The rear receives new taillights with amber turn signals and LED reversing lights. A chrome strip on the rocker extends along the side of the vehicle, wrapping around the rear bumper, highlighting the lower bumper's skid-type design.

Wheels are more ruggedly styled, with 18-inch designs.

8 INCH
DISPLAY AUDIO

The Pilot is fully updated with cutting-edge technology such as 8-inch touch-screen display audio with advanced features and USB interface.

A NEW GENERATION OF TECHNOLOGY WITH A DESIGN TO MATCH

Sophisticated and advanced, the interior of the Pilot is designed for today. Digital instruments are highly functional and easy to use, such as the innovative 8-inch Display Audio with touch-screen, a 115-volt power outlet and a HDMI Interface.

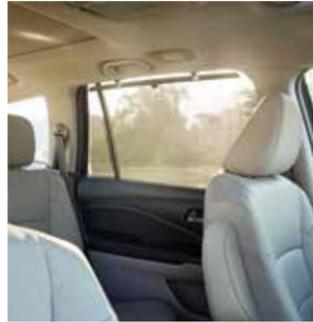

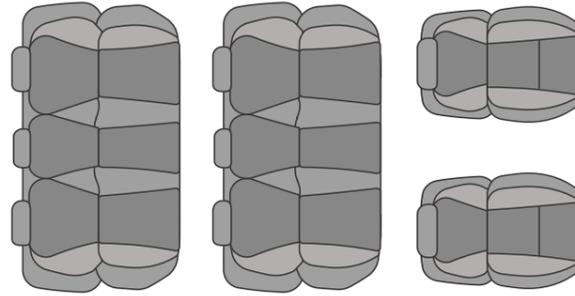

With tri-zone automatic climate control, third-row passengers enjoy separate air conditioning and heated seats for traveling in style and comfort.

**FREE SPACE
AS FAR AS THE EYE CAN SEE**

Thanks to the new Pilot's ergonomic design, roomy interior and exceptional build quality, you cannot only see the space, but feel it too. There's as much luggage and legroom as you could wish for, and the flexible passenger compartment and third-row seating gives you the freedom to spontaneously change plans, as you wish.

8
PASSENGERS

Whatever you plan to do, family holidays, sightseeing trips or days out, the Pilot provides all the space you'll ever need.

With its generous passenger cabin, one-touch second row seats and third row seats, there's room for everyone and everything.

POWER TAILGATE

The Power Tail Gate easily opens and closes with the push of a button, with added tailgate height-adjustability feature, it's customizable for drivers of all heights.

109
CUBIC FEET
OF CARGO SPACE

**FLEXIBLE CARGO SPACE**

With 109 cubic feet of cargo volume available on the new Pilot with the second row and the third row folded down, the spacious cargo area offers plenty of room for all cargo sizes.

**TRI-ZONE AUTOMATIC CLIMATE CONTROL SYSTEM**

The all new Pilot has the Tri-Zone Automatic Climate Control System which keeps the passengers comfortable with temperatures that can be controlled independently suiting each need.

**MULTI-ANGLE REARVIEW CAMERA**

The Camera shows a clear view of any potential obstacles or vehicles whilst reversing.
