

 **HONDA**

REDESIGNED
CR-V

THE BAR HAS BEEN RAISED, AGAIN

The vehicle that defined a category now redefines what a compact sport-utility vehicle can be. The redesigned CR-V now delivers a wealth of standard features with driver and passenger conveniences. Welcome to the new standard in comfort, style and versatility.

*CR-V in Modern Steel Metallic

Specifications vary according to country. Please consult your local dealer for details.

SOPHISTICATED SHARP STYLING

The CR-V heads in a new fresh direction with the new redesigned fascia, crisper and sharper front-end design elements such as new aggressive styled headlights surrounded by a wing-shaped LED DRL array. The CR-V's new windswept front end appearance also includes signature Honda LED headlights (EX grade only).

*CR-V in Modern Steel Metallic

Specifications vary according to country. Please consult your local dealer for details.

A PROFILE THAT GOES ANYWHERE

The CR-V features distinct LED taillights and exciting wheel options that help it stand out whether sitting still or taking off. Wide muscular fenders with athletic wheel arches, longer wheelbase and short rear overhang give the redesigned CR-V a more sophisticated and athletic presence. Perfectly straddling the line between rugged design and modern sophistication, this is the perfect SUV for any lifestyle.

*CR-V in Modern Steel Metallic

Specifications vary according to country. Please consult your local dealer for details.

STEP INTO INNOVATION

The redesigned CR-V raises the bar for interior refinement with its completely refreshed cockpit with innovation, premium features and utility which proves the best in its class. The clean and elegantly laid out dashboard presents advanced driving technology placing the essential information directly in the line of sight.

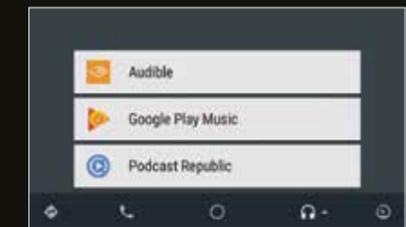

DISPLAY AUDIO TOUCH SCREEN

The CR-V offers the latest in vehicle connectivity and audio performance with a new generation of advanced technologies. The 7-inch Display Audio Touch Screen has a physical knob for volume control and is compatible with Apple CarPlay™ and Android Auto™ platforms, as well as have seamless integration of key smartphone features and functions including smartphone powered GPS navigation and voice controlled search capabilities.

Apple CarPlay™

Android Auto™

Specifications vary according to country. Please consult your local dealer for details.

ELECTRONIC PARKING BRAKE

Saving space and easy to use, simply flip the button to engage the Electronic Parking Brake, the additional Brake Hold function, makes driving in stop-and-go traffic much more convenient.

USB CONNECTIVITY

Control and charge your compatible devices with front USB connectivity and let the rear passengers charge theirs with available rear USB ports*.

WIRELESS CHARGING

The redesigned CR-V now has a wireless charger (EX grade only) as a new feature. Just place your compatible smart phone on the wireless charger tray and a LED indicator will show that it's charging.

*Front USB standard on all grades. Rear USB standard on EX.

DRIVER INFORMATION INTERFACE

The redesigned CR-V boasts of a bright digital driver information interface which supplies a wide range of information in the line of sight for the driver. Other than average fuel consumption and AWD Torque Identification the CR-V has a new feature known as the Driver Attention Monitor.

It is designed to detect driver fatigue and when a driver may be exhibiting diminished attention to the road, and alert the driver. A series of visual and audio alerts with tactile steering warning encourages the driver to take a break.

Average Fuel Range Display

Driver Attention Monitor

Specifications vary according to country. Please consult your local dealer for details.

HANDS-FREE ACCESS POWER TAIL GATE

A kick of your foot under the bumper opens or closes the hands free access power tailgate making access easy, whether loading or unloading (EX only). And with the programmable height feature, it's customizable for drivers of all heights.

Specifications vary according to country. Please consult your local dealer for details.

TRAVEL IN STYLE

Discover a new standard in comfort and style with a cabin boasting attention to every detail. From front seats redesigned for greater comfort to more rear legroom than even many larger SUV's, you and your passengers are comfortable from point A to B.

ONE MOTION FOLDING SEATS

The One Motion Folding Rear Seats makes it easy and convenient to lower the rear seats from the back of your CR-V.

EASY FOLD DOWN 60/40 SPLIT REAR SEAT

Easy Fold-Flat 60/40 Split Rear seating offers a variety of seating and cargo options to accommodate all cargo sizes.

EXCELLENCE IN EVERY DETAIL

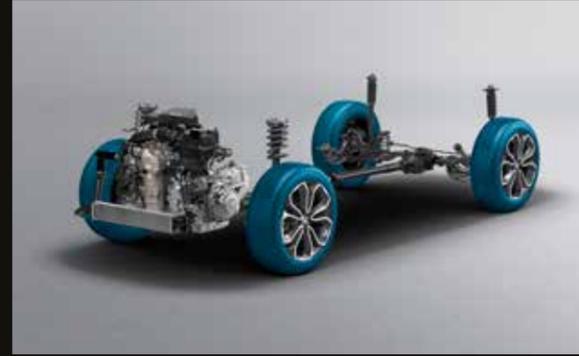

The redesigned CR-V delivers more comforts and conveniences than ever, from an available leather-trimmed interior to a power tail gate (Touring grade only) and 8 way power front seats with 4 way lumbar support.

COMMUTE WITH CONFIDENCE

As an integral part of the CR-V structure, Honda's Advanced Compatibility Engineering™ (ACE™) body-structure enhances occupant protection and crash compatibility in frontal collisions by distributing crash energy more evenly throughout the front of the vehicle.

The redesigned CR-V's chassis has evolved to provide more agile and confident handling, greater refinement, additional ground clearance, and superior overall versatility. Increased front and rear track widths [front is +18mm and rear +33mm] combined with front MacPherson strut and rear multi-link suspension with specially tuned low-friction dampers and tubular front and solid rear stabilizer bars promote responsive turn-in and flatter cornering.

Electronic Brake Booster, replaces the traditional vacuum servo, it provides consistent braking, with greater stopping power at all times.

2.4 litre Direct Injection engine, delivers smooth power and torque, whilst providing excellent fuel economy and low emissions.

Specifications vary according to country. Please consult your local dealer for details.

CONVENIENCE

PARKING SENSORS

When your CR-V is less than 1.5 metres from an obstruction the audible alert will emit intermittent bleeps. As the vehicle gets closer to the obstruction the frequency of the bleeps increases. At 30cm from the obstruction the bleeps become a continuous solid tone.

RAIN SENSING WIPERS

Rain Sensing Windshield Wipers automatically adjust wiping frequency to match the amount of rainfall so that the driver can keep eyes on the road ahead. (EX only).

REAR VIEW CAMERA

The Rear View Camera allows you to have a wide and better view of the terrain every time you shift to reverse.

SMART ENTRY

Lock and unlock the doors without taking the keys out of your pocket. A convenient touch sensor located in the door handle allows seamless opening and a lock/unlock sensor should you wish to use it. With the added "walk away locking" function, you never need to have the remote fob in your hands.

ECON

The ECON button helps achieve maximum fuel efficiency in real world driving situations. When activated, fuel economy is improved by adjusting the performance of the engine transmission, air conditioning and cruise control, to conserve fuel even further.

FULL LED HEADLIGHTS

LED headlights with Auto On-Off function, eliminates the fear of accidentally leaving them on. These LED lights are both mercury free and lead free, benefiting the environment, whilst being brighter, sharper and using less energy.

WHAT DOES YOUR CR-V LOOK LIKE?
